

MY TOWN

I come from Shkodra, a big town in the north of Albania .The population of my town is 10.000. Shkodra is 180 miles from Tirana. In the west there is the sea and in the north there is a castle .The most expensive area to live is Cuna . The cheapest area is outside the town. The main job in my town is business and commerce. There are primary and secondary schools and a university in my town. I went to Haidar Dushi School .In my area there are some small markets. Vllaznia is the football team in my town.
