

### **Algiers**

Algiers is my town. It's big City with 2.9 million inhabitants 2003 estimate, and the largest and most important city of the contry. Algiers is located on the Mediterranean Sea, in the north-central part of the contry. You can see nice places and find a lot of houses. The most expensive area to live in is Algiers, Hydra and Golf, but the cheapest area to live in is Kazba. Activities Algiers consist in both governmental and private administration, and national and international trade. The main export products are iron, phosphates, wines, fruits and vegetables, as well as oil from central Algeria. The main industries are oil refining. We can find primary schools, secondary schools, private schools and universitys.
