

My City *My City*

Zawadzkie is a city where around 10 000 people live. The city is located in the west part of Poland. The distance from the capital city, Warsaw, is 240 km. The region of Zawadzkie borders Germany, Slovakia and the Ukraine. The regional capital, the city of Zawadzkie, is the third smallest city in Poland. Some of the famous cities near Zawadzkie are Opole, Katowice, Gliwice and many more. My town isn't the capital city in Poland. Zawadzkie is surrounded by forest. In my city there aren't many shops. Food is very expensive in Zawadzkie. There is a market every Saturday. You can find anything you want in the market.
