

Kahramanmaras

I come from K.Maras, a big city in the southeast of Turkey. The population of K.Maras is 1.500.000. K.Maras is 400 miles from Ankara.

In the south there is the sea, in the west the mountains.

The most expensive area to live in is Elbistan.

The cheapest area to live in is Pazarcik.

.00000 in Elbistan

The main industries in my town are farms and

stock-breeding.

There are Elbistan and Demircilik primary and secondary schools and 7 high schools in K.Maras.

I went to Demirciliks School. It is a comprehensive school.

In my area there are some local shops, food and pastry shops and a supermarket but, there is no swimming pool.

The football team in my town is called Kahramanmaras Football Club.

K.Maras has got 5 districts and it is near Gazi Antep.

K.Maras's most famous foods are kebab, ice cream and baklava.
