

MY TOWN

My town is Kayseri. My city is Sariz my village is Sariz. My village is Cagsak. I like my country because the weather is always the same. If it is hot in the morning is hot all day. About 130 people live in my village. In Turkey the winters are dangerous. There are a lot of accidents! A lot of people die. It is very bad. My country has 70 millions people. In my country there are schools, nurseries and colleges. Turkey is not a rich country a lot of people live in Turkey. In Turkey the cheapest area is Ankara. The most expensive area is Izmir. My country has a lot of historical places.
